AMERICAN 'PLANES AND WARSHIPS SWEEP INTO ACTION TO CHECK THE COMMUNIST INVASION OF S. KOREA

North Korean Reds Announce Capture of Seoul, National Capital — Red Amphibious Invaders Thrust at Both Western and Eastern Korean Coasts

By Howard Handelman
(Far Eastern Director, I. N. S.)
TOKYO, June 28—(INS)—American planes and warships swept into action today to check the Communist invasion of South Korea but the North Korean Reds announced tonight they have captured Seoul, the national capital.

While Red amphibious invaders thrust at both the western and eastern Korean coasts, tanked Communist troops smashed beyond Seoul and captured the capital's Kimpo Airport, 15 miles to the south, according to a late dispatch.

International News Service special correspondent Ray Richards, who made a daylight flight over the Korean war theater, reported the Red occupation of the Kimpo field and quoted U. S. fighter pilots as saying six American planes had been shot down in combat today.

Richards reported that President Syngman Rhee and his South Korean Government Ministers had fled from their temporary capital of Suwon, 22 miles south of Seoul. They were said to have moved another 65 miles south, perhaps to Taegu.

John J. Muccio, American Ambassador to Korea, and a U. S. Army official, Brig. Gen. John Church, were reported somewhere between Kimpo Airport and Suwon. Their whereabouts were uncertain.

"Shooting Star" F-80 jets and B-26 twin-engined bombers struck at red armored and amphibious forces with rocket fire and explosives after American battle planes tangled in spectacular dog-fights with Russian-made Yak fighters.

An unconfirmed report from Itazuke Air Force base in southern Japan said two U. S. fighters, participating in protective cover for the evacuation of hundreds of Americans from Kimpo Airport, were shot down yesterday by interfering Communist planes. Both American pilots were reported seen parachuting to earth.

Previously, Gen. Douglas MacArthur announced that at least four Yaks were shot down by American fighters yesterday over Seoul before President Truman's order was received.

HERE AND THERE IN BUCKS COUNTY TOWNS

Activities of Interest To All In The Various Communities

GLEANED BY SCRIBES

A Bucks - Montgomery county Wool Pool shipment is announced for July 6th and 7th by Bucks County Agent William F. Greenawald. The wool will be shipped from Doylestown freight station.

Montgomery county wool shippers will be handled July 5, and Bucks county shippers will be taken care of July 7.

Shippers with less than 300 pounds will report from eight until 11 o'clock, and loads of more than 300 pounds, from several shippers, will be in a later group.

Shippers over 300 pounds will report between 12:30 and 2:30 o'clock. W. B. Connell, State College wool specialist, will do the grading.

The pool this year, County Agent Greenawald said, will be sold on the open market to the highest bidder July 7. Other pools have been selling from 19 to 15 cents above last year's prices.

Secretary-Treasurer Rebecca R. Moreman and R. G. Waltz, Montgomery County Agent, are assisting.

1500 ADULT LEADERS TO ATTEND MEETING

Annual Meeting of Boy Scout Council To Be Held In Phila.

READY FOR JAMBOREE

PHILADELPHIA, June 28—More than 1,500 adult leaders will attend the 40th annual meeting of the National Council of the Boy Scouts of America at the Bellevue-Stratford Hotel tomorrow and Friday.

They will represent most of the 541 Local Boy Scout Councils which administer the programs of the movement to 2,652,525 Cub Scouts, Boy Scouts, Explorers and adult leaders.

When the meeting closes Friday afternoon, June 30, the delegates will go to Valley Forge to witness the official opening of the National Jamboree by President Truman, Honorary President of the Boy Scouts. The encampment there of more than 47,000 boys and leaders from June 30 to July 6 on the site made historic by George Washington and his 10,000-man Colonial Army in 1777-78, will be the largest of its kind ever held in the Western Hemisphere.

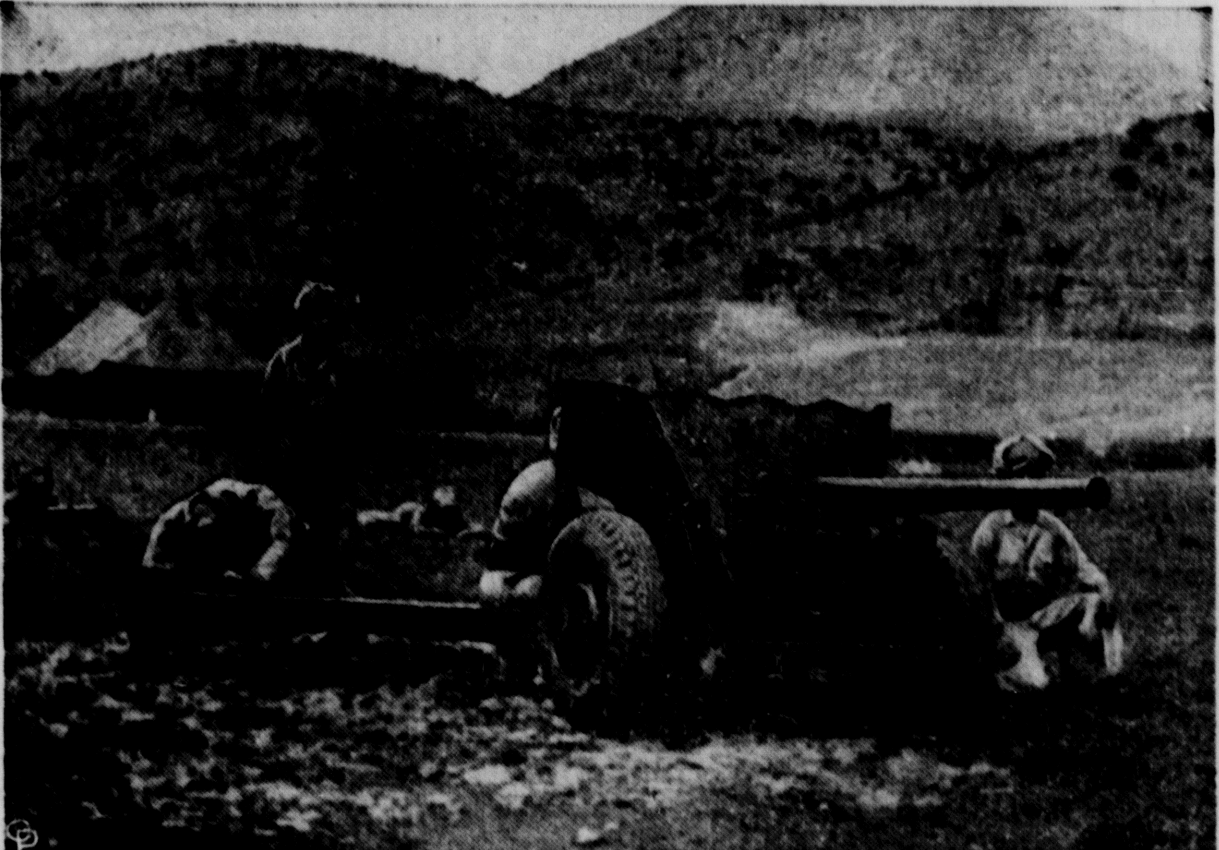

Speakers at the National Council meeting at Philadelphia will include Dr. Robert Livingston Johnson, President of Temple University; Congressman Walter H. Judd of Minneapolis; Dr. Charles F. Kettering, one of the world's most distinguished engineers; Col. John Skinner Wilson, Director of the Boy Scouts' International Bureau in London; Amory Houghton of Corning, N. Y., President of the National Council, Boy Scouts of America, and his Chief Scout Executive, Dr. Arthur A. Schuck, a leader in the organization for 37 of its 40 years.

Philadelphia Boy Scouts will open the annual meeting with a color ceremony. Elder Ezra Taft Benson of Salt Lake City, Utah, of the Quorum of the Twelve, Church of Jesus Christ of Latter-day Saints, will preside.

CLASS REUNION

A reunion of Bristol high school class of 1916 was held on Saturday at the home of Miss Nellie Dawson, Ocean City, N. J. The group enjoyed bathing, sightseeing trip and dinner at the Oceanic Hotel. Those attending: Mr. and Mrs. Wilson Magill, Mr. and Mrs. Alfred Vandegrift and daughter Mary, Mr. and Mrs. Harry Weissaw, Mrs. Lucy Tyler, Bristol; Thomas Groom, Morrisville; the Misses Anna and Irma Dawson, Ocean City, N. J.

SOUTH KOREAN TROOPS MAN ANTI-TANK GUN

WHILE PITIFULLY FEW IN NUMBER, anti-tank guns played a prominent part in halting and turning back the Communist invaders from North Korea as they made their first all-out thrust on Seoul, capital of South Korea. In this most recent photo, South Korean soldiers man one of the guns in the hill country that has become a 200 mile battlefield. Mountain in background is occupied by Red troops. SCIENCE ASS'N TAKES INTERESTING TOUR

Fifty Members Explore Territory In Bowman Hill Section

VISIT THE SCOUT CAMP

NEWTOWN, June 28 — A 13-car motorcade carrying some 50 members of the Bucks County Natural Science Association explored a wide section of territory along the north-east border of the county during a field trip made Saturday.

With Wendell S. Oliver, of Morrisville, as leader, the group met at Bowman's hill and then went on to the Boy Scout camp at Ockanickon. The group noted the many additions made to the camp since their last visit three years ago. An outdoor chapel, a swimming pool, and a nearly completed health building were some of the improvements the members visited. Trees and shrubs at the camp also interested the group.

The party then traveled to Ralph Stover State Park, a 37-acre recreation center a short distance from the camp along the Tockickon creek. Here the group examined the native trees as well as mock oranges and a Japanese dogwood.

After lunch, the caravan went on to Carversville, and then along the Pannacussing creek to Lumberville. Here they turned right up Green Hill and traveled to a farm where John Greenleaf Whittier lived for a time.

A stop was made at the drinking fountain erected by the late Thaddeus S. Kenderline along Cullalossa drive. Kenderline lived in Solebury before establishing a coal business in Newtown.

At Center Bridge the caravan left River road and headed toward the Tuckamony nurseries beyond Solebury. Here Forrest C. Crooks described multiflora roses and spoke on the advantages of using those Japanese roses for hedges. Crooks said that it was about two weeks too late to see the roses bloom, but that they afford good protection and are green for most of the year.

After leaving the Crooks home, the group went on to Lahaska, where they disbanded.

It was announced that Mr. Oliver will leave Bucks county in August.

State Employment Office To Observe a Holiday

The Bristol Office of the Pennsylvania State Employment Service will be closed from Friday at five p. m. to Wednesday at 8:30 a. m., daylight saving time, as a result of the extension of the Independence Holiday to include Monday, July 3, for state offices by Governor James H. Duff.

EDUCATION TO AID IN SAFETY DRIVE

Enforcement of Traffic Laws Is Also Being Used to Cut Down Accidents

14 POLICE JOIN DRIVE

Enforcement and education are the two tools by which safety officials are seeking to cut down the traffic accident toll on state and borough roadways.

In Bristol 14 police working under Chief Linford Jones have begun a determined effort to clear the streets of reckless and speeding drivers. A squad of more than a dozen special policemen led by J. S. Lynn are also available to aid in traffic enforcement.

Hot rod speeders who tear up the roads in certain sections of the borough during the night will receive special attention by the police in an effort to cut out potential killers.

On state highways and rural areas where local police are not organized the Pennsylvania State Police have a squad of more than 1800 troopers patrolling roads on the lookout for dangerous drivers.

Suspension of drivers licenses for 90 days await those who violate the 50 mile speed limit on the open highway. Chief Jones says that all speeders caught in the borough also will face a good chance of revocation of driving privileges.

Law suits, hospital and repair bills are also being collected.

FOUR MORE PLAY CENTERS TO OPEN HERE

Plans Discussed with School Board to Engage Eight Instructors

WILL OPEN NEXT WEEK

Plans for opening four play centers here for a 10-week period were discussed Monday evening when members of the Bristol School Board, the trained instructors who will supervise the play centers, and officers of the Bristol Playground Association met to map out the program which will get underway the first week in July.

Eight instructors have been engaged, two to each play center, to supervise the programs, according to a spokesman for the Bristol Playground Association, the sponsoring organization.

The Association's drive for funds for the program is now in progress in the Sixth Ward, according to the spokesman. The drive will probably get underway in a day or two in the remaining unincorporated ward, the Fourth.

The Association requests co-operation of the public and states that the main objective is to provide additional play areas for the young children of Bristol.

The four school yards to be opened are: High School in sixth ward; Washington street in second ward; Wood street in first ward; and Bath street in third ward.

It is planned to equip these centers with sand boxes, and perhaps see-saws and swings and to provide materials for craft.

Russia Accuses U. S. of Aggression

Moscow—Soviet Russia accused the United States of aggression in the Pacific today and the Communist press stepped up its demand for unification and "liberation" of Germany. An article in the navy newspaper Red Fleet said: "The German people understand as never before that fundamental and vital interests can be safeguarded only as the result of restoration of the unity of Germany, liberating the country from the Anglo-American imperialists."

British Cabinet Defense Committee in Special Session

London—Prime Minister Attlee summoned the Cabinet Defense Committee and Chiefs of Staff to a meeting today. The parley was called presumably to discuss ways of carrying out the United Nations Security Council resolution calling on U. N. members to aid South Korea.

U. S. Asked Russia to Call Off Korean Attack

Paris — Authoritative diplomatic sources disclosed today that the U. S. Government made three separate diplomatic appeals to Russia to call off the Northern Korean attack before America intervened. Described in diplomatic parlance as "demarches," the appeals were said to have been made through the American Embassy in Moscow to the Soviet Government before President Truman issued orders for air and naval forces to aid the South Koreans. According to diplomatic sources in Paris, the Soviets completely ignored the appeals, making no reply whatsoever.

FIND A MAN SHOT THROUGH HEART IN HIS TRAILER HOME

George W. Frisa, 59, Failed To Respond When His Brother Called Him

DEAD FOR SOME TIME

Investigation Being Conducted by Bucks County Authorities

CHURCHVILLE, June 28 — A Lower Southampton township man was found shot dead through the heart yesterday in the converted bus in which he and his brother made their home.

The victim: George W. Frisa, 59, of Bristol and Meadowbrook roads, Lower Southampton township.

State police of Langhorne barracks, and Bucks County Coroner J. Alfred Rigby, Cornwells Heights, are conducting an investigation.

The incidents which led to discovery of the death, and touched off the investigation, had as their lead the delivery of a message to Theodore Frisa, brother of the dead man.

Mrs. Joseph Bunse, whose home is near the trailer-type home of the Frisas, had gone to the trailer yesterday between 10 and 11 a. m. after she had received a message for Theodore. During the conversation she inquired as to the health of the brother, George. George, although a cripple and in ill health recently, had continued his work of rubbish collection. Theodore is said to have replied that he didn't know; that he had called George two or three times that morning, but had received no response. He asked if Mrs. Bunse would like to look at George, and she acquiesced. Unable to arouse George, Mrs. Bunse went to the home of James Russell, of the Trevores Heights Rescue Squad, informing Mrs. Russell that George failed to arouse and that his arm was cold.

Mrs. Russell summoned her husband and Mr. Russell immediately went to the Frisa home. He then summoned officials. It was on examination of the police and coroner that Frisa was found to have been shot through the heart. A revolver was nearby. It is said. Frisa is believed to have been dead several hours when the discovery was made.

George is survived by his brother, Theodore; also by a step-brother, Walter, of Deal Island, Md. The body was removed to the funeral home of J. Maurice Tomlinson, Cornwells Heights. His brother, Theodore, aided with the rubbish collection business.

Reports Heard on Two Fund Raising Projects

Members of Fleetwing Estates Ladies' Auxiliary held the last regular meeting of the summer Monday evening at the home of Mrs. Robert Hyatt.

The president, Mrs. Lawrence Harrison, opened the meeting. After the secretary's and treasurer's reports had been read, reports were given on the two fund-raising projects which the group had passed on last month. One, selling of manufactured items, the group agreed to start immediately; the other, a merchandise club, will be started in the fall.

The possibility of a "Hi, Neighbor" party, like those for every family in the Estates which had been given in 1947 and 1948, met with unanimous approval. The Auxiliary voted to sponsor a "Hi, Neighbor" party, with entertainment and refreshments for all, tentatively set for August 19th. Mrs. William Carey, Mrs. William Drumel and Mrs. Robert Hyatt were on the committee to make plans.

The suggestions for community betterment that had been received were voted on, and the one submitted by Robert Hyatt was given the prize.

EDUCATION FOR DEFENSE

A group of health experts meeting recently at Lake Placid, N. Y. attacked the "hysterical" approach to atomic warfare. The experts denounced the "dangerous fatalistic idea" that atomic weapons are so powerful that there is no defense. To avoid this, it was recommended that a program of education and organization be launched.

In any program of this kind the great difficulty is to chart a middle course between overplaying and underplaying the hazards which the country faces. If the dangers are played down, the public is likely to pay little or no attention since atomic war is hardly the pleasantest of subjects to discuss or to spend time worrying about. If the dangers are overemphasized there is a tendency to create the hysteria which the experts are anxious to avoid.

However, this problem has been solved in other fields and there is no reason why it cannot also be solved in teaching the public what to do in case attack comes. Everyone has read of the terrible catastrophes that can happen when unreasoning panic seizes a crowd in nightclub and theatre fires. Hysteria, likewise, can be the worst enemy of a city under atomic bombardment.

It is to be hoped the day will never come when Americans will be compelled to face the horrors of atomic attack. But great pains are taken to teach people what to do in case of fire and other disasters. Why would it not be good common sense to spread similar information about defense in case of atomic attack.

END OF CHIVALRY

The age of chivalry is finally over. This is not to imply that men are no longer opening doors or picking up handkerchiefs for women. Reference is to the old meaning of the word chivalry, which came from the French cheval for horse.

Throughout history, until this century, the accoutered man on a horse has been the dashing symbol of leadership in war. In modern American cities the mounted policeman has survived as a gallant fellow.

But now, see what's happened. The House of Congress has approved a bill to strip the word cavalry from the horseless armored branch of the Army. And in Philadelphia the mounted police will be disbanded within the next few months.

No more will military lapels gleam with the cross-saber insignia of the U. S. Cavalry.

Cadets at the Military Academy at West Point, burial place of Custer, are no longer taught to ride. The only horseflesh at The Point is three mules. Two of 'em are in active service for you know what big games. The third is a colt, being raised to the same tradition.

There it is: The United States Army, erstwhile scourge of Comanches, pinning its cavalier future on one little mule colt!

1500 Adult Leaders To Attend Meeting

Continued from Page One
of Jesus Christ, Latter Day Saints, a member of the Boy Scouts' National Executive Board, will give the Invocation. Mayor Bernard Samuels of Philadelphia will welcome the Scout leaders.

The morning business session will include an address by President Houghton and the annual report of Dr. Schuck, the organization's top administrative officer.

Reports will be made by Maj. Gen. Joseph W. Byron of Hagerstown, Md., on proposed regulations, by John M. Schiff of New York, a Vice President, for the Finance Committee and for the Committee on Retirement and Group Insurance, and by Harry M. Addinell of New York as Treasurer.

Frank L. Weil of New York will present proposed amendments to the Constitution. Election of officers and the National Executive Board will follow.

At the June 29 luncheon, Col. John Skinner Wilson, Director of the International Boy Scout Bureau in London, will extend greetings in behalf of the 48 other countries with Boy Scout organizations.

Dr. Johnson, making the principal address at the luncheon, will speak on the problems and needs of youth in the postwar era.

Five major presentations will be made after the luncheon. Kenneth K. Bechtel of San Francisco, a Vice President, will report on program. Mr. Weil of New York on Personnel, Wheeler McMillen, editor of Pathfinder, on relationships of the Boy Scouts with racial, interracial, religious, educational, fraternal and civic groups.

Frank G. Hoover of North Canton, Ohio, a Vice President, will speak on Field Operations, and Earl C. Sams of New York will report on the business activities.

Small groups will discuss the same topics involving leadership, program, membership and other matters. Delegates will participate according to the type of Local Council they represent, namely, large metropolitan cities, cities with little or no rural areas, suburban areas, cities including rural areas and those predominantly rural.

Congressman Walter H. Judd of Minneapolis, a distinguished physician and surgeon who served for many years as a medical missionary in China, will be the principal speaker at dinner Thursday evening, June 29. A national authority on United States foreign policy, especially in the Orient, he will speak on the imperative need for training youth today to meet their responsibilities as citizens tomorrow.

Two awards will be made at the dinner. The Lorillard Spencer Award will go to the Scout Region with the largest per cent increase in membership. The Explorer Trophy will go to the Region making the best record in the Explorer Program for young men.

At the dinner leaders who have served in Scouting 40 years will be honored. A former Latvian Boy Scout, a Displaced Person, who is now a member of Explorer Post 30, at Merion, Pa., Leonidas Maktenlels, 18 years old, will speak on "What Liberty Means to Me."

Philadelphia Boy Scouts will present a pageant related to the Scouts' two-year Crusade to "Strengthen the Arm of Liberty."

The discussion groups will resume Friday morning. Dr. Charles F. Kettering, Director and Research Consultant of General Motors, will be the principal speaker at the closing luncheon session Friday, June 30. Long active in Scouting, he organized an Older Scouts Association in Dayton, Ohio.

During the luncheon, the National Court of Honor of which Dr. George J. Fisher of Scarsdale, N. Y., National Scout Commissioner, is chairman, will present Silver Buffalo Awards "for distinguished service to boyhood" of a national or international character. This is the highest honor of its kind bestowed by the Boy Scouts of America. In accordance with tradition, the names of the recipients are not announced until the awards are presented.

At Valley Forge that afternoon delegates will mingle with the largest gathering of Scouts America has ever seen. They will see President Truman, who is to arrive at the Jamboree by special train, formally open the Jamboree and deliver an address. The 3-cent brown United States commemorative stamp "In honor of the Boy Scouts of America" will be first placed on sale that day at Valley Forge.

The Jamboree will close the evening of July 6 with a ceremony on World Brotherhood featuring the 385 Scouts and leaders who will come to the Jamboree from 18 other lands.

Education to Aid In Safety Drive

bills, and adverse publicity are only a few of the penalties that the accident monger will have to pay.

Prison terms await those found guilty of manslaughter by automobile.

Fines and jail sentences will be levied on those caught violating the motor vehicle code.

Death and mutilation await those who escape the law one time too many.

In the realm of education driving training programs in public high schools have become an integral part of school curricula in recent years. Bristol High School's program, begun three years ago, was one of the pioneer efforts in the state.

More than 60 students 16 or over are now trained annually by Lester P. Michael, specially-trained driving instructor at the school. Students receive a minimum of 30 hours in observation on the road and eight hours behind the wheel. One hour a week is devoted to classroom study of the motor vehicle code. Completion of the course is made when the student successfully passes his driver's test and receives his license.

More than 300 adults in the Bristol area are hoping to take instruction this summer in a six-week adult session. The course uses a car leased from a local automobile firm and is carried on in cooperation with the American Automobile Association.

No amount of enforcement or education can lower the highway accident toll if the individual driver refuses to recognize the dangers that exist on the highways, according to Chief Jones.

No amount of slogans can cut accidents unless each driver realizes that his car can become an instrument of death or can be turned into a deathtrap of cutting metal, broken glass and crushing force. Caution, courtesy and common sense—the three C's of careful driving—can save lives. Reasonable caution and an intelligent fear will prevent false and often fatal moves. Courtesy, driving as you would have the other fellow drive, can pay off in lives.

Adult common sense applied behind the wheel can do much to cleanse the blood off the highways. It can easily be your own blood. (Last of a series)

Bake Sale, Picnic Are Planned; Women See Slides

HULMEVILLE, June 28 — Arrangements for a bake sale, and a picnic supper next month, and tentative plans for other events were outlined when members of the Woman's Society of Christian Service met in Nesheaminy Methodist Church, last evening. There were 25 members and two guests present.

The pastor, the Rev. Edward Stiers, spoke briefly to the group; and the program included the showing of 50 slides in natural color, titled "For All of Life." Projection was in charge of Miss Adeline E. Reetz. The films depicted the spread of the Christian gospel throughout the world, its principles being extended into improvements in cattle herds and farming conditions as well as better diets and appreciation of the finer things of life. It was also shown how literacy is being "upped," and the Bible translated into many tongues for benefit of all nationalities.

Light refreshments were served by three whose birthday anniversaries occur in June, namely Miss Clara L. Illick, Miss Louise Doan and Mrs. William Gotthardt. Miss Doan conducted the devotional period, with Mrs. Harold Daseburg serving as pianist.

The business meeting was presided over by Miss Elma E. Haefner, with reports of the secretary, Mrs. Gotthardt, and treasurer, Miss Grace H. Illick, being approved. Welcomed as a new member was Miss Ruth Hampp, of Philadelphia; a visitor being Mrs. Print.

The committee in charge of the dinner for the Sunday School picnic, to be held July 29th, was added to. In addition to the executive committee and Mrs. Frank Harper,

the names of Mrs. Mildred Riley, the Misses Erda M. Schatt, Ruth Shapcott and Louise Doan were listed.

Brief report was given on the district meeting at Cornwells Heights, attended by five from the local unit. Mrs. Harper, speaking for the parsonage committee, informed of needs there, motion being passed to purchase a dining room suite. It was announced that some painting has been done on the interior, with more contemplated under direction of the official board.

Arrangements were made for a bake sale to be held July 15th, starting at 11 a. m. Committee includes: Mrs. C. Wesley Haefner, chairman; Mrs. Robert Peneger, Mrs. Mark Shapcott, the Misses Grace H. Illick and Erda M. Schatt. Invitation was received from Mrs. John Cerin to hold a covered dish supper on the lawn of her home on July 25th, at 6.30, the night of the monthly meeting. Named to aid Mrs. Cerin in preparation for such are Mrs. George Fettes, Miss Nellie E. Main, of Penndel; Mrs. Bertha Funk, Bristol township; and Miss Marie Hanson. A luncheon project in Philadelphia during the next few months was considered, and the secretary requested to secure date for same.

American Planes, Warships Sweep into Action in Korea

ceived to send U. S. air and naval forces to the direct support of South Korea's defenders.

Despite today's American bombings and strafings that destroyed a number of Soviet-type tanks and slowed the invasion, the North Korean Communists declared this evening their forces had smashed into

the heart of Seoul at one o'clock this afternoon (11 p. m. PST, Tuesday).

A broadcast from the North Korean Government center at Pyongyang said the Reds had "seized the government offices" in the aged-old Korean capital and had "released political prisoners" from Seoul's jails. The broadcast, monitored in Tokyo, advised Seoul's populace "not to evacuate" and to "remain calm."

The Seoul radio apparently was among the buildings occupied by the Communists who previously thrust a tank-led spearhead into the South Korean capital. Silent since yesterday, Radio Seoul returned to the air late today with appeals to the 20,000,000 South Koreans to "revolt" against President Syngman Rhee's Government.

The Seoul announcer repeatedly broadcast Red slogans hailing the North Korea "people's republic" and its chief, Kim Il Sung.

A few hours before the Pyongyang claim that Seoul had fallen, Gen. MacArthur announced there was "movement" on both sides in the ancient Korean capital, with "little change in the tactical situation" and about 40 North Korean tanks poised several miles to the north.

The B-26 bombing runs and F-80 rocket strafings, launched by the U. S. Air Force today, cut down the estimated force of 90 Russian-made tanks with which the northern Reds began their surprise invasion four days ago.

in its body to attest to the Red resistance, reported knocking out six of the North Korean tanks.

Gen. MacArthur declared in his fourth communique on the Korean struggle that "North Korean forces have found considerable difficulty in their various attempts to resume the offensive."

The momentum of their onslaught thus checked on the land sectors, the Communists unleashed a strong new amphibious blow aimed at Inchon, the west coast port for Seoul.

a grape growing industry in Pennsylvania, but did not carry out his plans at the manor home.

Mr. Platt said that all the three types of gardens had specific uses during Penn's time. The kitchen and vegetable gardens contained

many vegetables used for food and also had herbs which could be turned to medicinal purposes.

The flower gardens supplied flowers such as roses, lilacs and violets which the ladies could use to make perfume, and also served as places where guests were entertained, Mr. Platt said.

He went on to discuss briefly Penn's part in the settlement of the new world and of his contribution to religious, political and commercial philosophies. "An apostle of tolerance," Mr. Platt said of Penn, "who was not afraid to put his ideas into practical application."

In the afternoon Russell Stackhouse, superintendent of Pennsylvania's early work in this region. He also described the work that has been done to restore the Penn memorial and told of the buildings and equipment that have been constructed.

Reports from various conventions gave the members plans for the coming year. Mrs. Fisher told the group that the county project this year was the Girl Scouts, and asked the clubs to prepare systematic programs to aid in the work.

President Fisher gave a summary report of the northeast conference held in Philadelphia last week, and announced that a southeast conference will be held in Reading on Sept. 20, and that next year's state convention will be in York, from April 30 to May 2.

The fall meeting of the federation will be held in Bristol on October 27th, with Mrs. William D. Lynch program chairman, in charge of arrangements.

HOW MANY HAVE YOU ADDED . . .

Since you last had your
house wiring checked?

You'll want . . . today or tomorrow . . . all the comforts of Electric Living! But to enjoy them fully you must have modern electric wiring. And many a comparatively modern home has wiring that just isn't adequate. First—you need sufficient wiring, service coming into your home. Second—you need enough circuits inside the house. And third you need plenty of switches

and outlets conveniently located in every room.

Ask your nearest electrician, listed below, for a free survey of your home. Then you'll know whether your home is really wired for modern living. And, if improvements are required, he'll tell you just what the cost will be. Easy payments can be arranged.

Have your wiring checked—Contact one of the following electrical contractors.

HULMEVILLE

Girls of the Neshaminy Methodist Sunday School class, taught by Miss Nellie E. Main, of Pennell, invited members of Miss Grace H. Illick's class to join them in a swimming party at Highway Pool, Bensalem township, yesterday afternoon. Also accompanying the group was Mrs. George Bilger. A picnic supper was enjoyed.

Mr. and Mrs. Print and sons, of Philadelphia, are now at their summer home along the Neshaminy Creek, Main street, for the season.

Thirty-nine participated in the picnic arranged by the Youth Fellowship for members and their families and friends, Saturday, at Browns Mills, N. J. Bathing, games and a picnic dinner were on the schedule.

Jobs Here Show Upwings; Gain Shown Last 2 Months

Jobs in the Bristol labor market are continuing on the upswing which began the first of this year, according to Francis L. Mathews, manager of the local office of the Pennsylvania Employment Service.

In an article in the June issue of the Chamber of Commerce Newsletter, Mr. Mathews says that there are 8,865 persons employed here at present, compared with 8,598 two months ago.

This 3.1% increase may not be repeated in the next two-month period if the estimates of the 37 firms surveyed, are correct, for they expect to add only 17 workers during that time.

Mr. Mathews, however, is optimistic. "New industries expected to

locate in the area during this period plus the conservative nature of some of the employers' estimates should give us a percentage gain almost equal to the splendid gain of the past two months," he says.

Unemployment benefit claims have shown a 30% decrease in the last two months, Mr. Mathews reports. There are 662 now reporting for benefits, as compared with 948 in April.

"Despite the increase in jobs and the decrease in claims," Mr. Mathews warns, "the local office has 1,198 applications for employment registered. This total is a very slight increase over last month and is occasioned by the large number of recent high school graduates and students looking for summer employment."

Veterans looking for work number 258 and women 458, he says. Mr. Mathews added that employers should contact the local office for recruiting workers. "In this way they are utilizing the largest source of qualified workers available in the area," he said.

CROYDON

The sixth annual picnic, in the form of a birthday celebration also, took place on the lawn of the home of Mrs. Richard Jones, 500 Main street, Sunday, Mrs. Jones, a former employee of Hunter Mfg. Corp., has undergone 27 skin grafting operations since she was injured in what was termed a near fatal accident there. The accident occurred June 26th, 1943. Over 100 guests gathered at the picnic from Virginia, New York; and from Philadelphia, Croydon and Bristol. Mrs. Jones was recipient of gifts.

"Bridal Pageant" Includes Gown Worn 115 Years Ago

At the "bridal pageant" held at Newport Road Community Chapel on Saturday evening, 28 gowns were modeled under direction of Mrs. Alfred Radel. The procession was led by Mrs. Perpete's two small daughters, followed by Miss Mabel Holman, who wore the newest gown, belonging to Mrs. Michael Rice, formerly Miss Margaret Wong, who was married May 20th. The procession ended with Mrs. John Meehan wearing the oldest gown, that of the late Mrs. Pearson, of Hulmeville, who had worn it 115 years ago.

Mrs. Vincent Latham, Hulmeville, played the wedding march and recessional, and also accompanied Miss Louise Riman, who sang "I Love You Truly" and "Because," preceding the pageant, and the "Lord's Prayer" at the closing.

A silver offering was taken by Mrs. Russell Straub, Mrs. John Smick, Mrs. Edward McClintic and Mrs. Ruth Schaub. The proceeds will be given to the Clark family of Croydon. A reception followed in the basement of the chapel where refreshments were served. The artificial bouquets used were made by Mrs. Edward Tier, Maple Shade, who also made many of the decorations.

Today's Quiet Moment

By Philip E. Henry
Pastor
Bensalem Presbyterian Church

I think that we ought to make our religion live. Might I suggest the following:

When the alarm goes off remember, "It is high time to awake out of sleep: for now is our salvation nearer than we believed."

Then hop out of bed and say, "I will bless the Lord at all times: His praise shall continually be in my mouth."

Look in the mirror and think, "Man is like to vanity: his days are as a shadow that passeth away."

As you shave, "The wicked shall be cut off from the earth." As you sip that early morning coffee, "Delight thyself also in the Lord; and he shall give thee the desires of thine heart."

As you start your car, "Ye shall receive power, after that the Holy Ghost is come upon you."

When you punch the time clock, "It is time now to seek the Lord."

As you work, "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life."

Stewart, Patrick McNery; prelate Maurice Anderson; a committeeman, James Larrisey; Ernest Spohn, of Williamsport Lodge; and also members from the Jenkintown, Willow Grove and Phila. Lodges.

Pamela Sue, daughter of Mr. and Mrs. Robert Petrick, Bristol Terrace I, was christened on Sunday in St. Mark's R. C. Church by the Rev. Albert Glass. The sponsors were Mr. and Mrs. Michael Petrick, Hulmeville. A dinner followed at the home of the baby's grandparents, Mr. and Mrs. Michael Petrick, Wilson avenue. Mrs. C. Scott, who has been spending several weeks with her son-in-law and daughter, Mr. and Mrs. Robert Petrick, returned to her home at Kent, O.

Mr. and Mrs. Leo Behrens and Julie Lee, and son "Bobby", of New York, N. Y.; Mr. and Mrs. Jack Kent, Philadelphia, were Saturday guests of Mr. and Mrs. Milton Miller, Jr., and Mrs. Irene Sharp, Monroe street.

Mr. and Mrs. Ralph Nichols of Millersville, spent the week-end

with Mr. Nichols' parents, Mr. and Mrs. William Nichols, Bath road.

Mr. and Mrs. William Hardy and children "Billy" and Barbara, Mr. and Mrs. Edwin Harker and daughter Janet, McKinley street, spent Sunday at Lakewood, N. J.

Mrs. L. B. Huffstetter, of Aurora, Ind., spent from Thursday until Sunday with her son-in-law and daughter, Mr. and Mrs. Paul Nichols, Garfield street.

Valerie Catherine, baby daughter of Mr. and Mrs. Francis W. O'Boyle, Monroe street, was christened on Sunday in St. Mark's R. C. Church by the Rev. Albert Glass. The sponsors were Miss Agnes Virostek, Taft street, and Stanley Dick, Edgely.

Mr. and Mrs. Howard Fennimore, Mr. and Mrs. William Claus, Jr., and children "Billy" and Bonnie, Buckley street, Mrs. Mabel Bickel and son Joseph, Bath street, were week-end guests of Mr. and Mrs. Frank Fennimore at their cottage at Bay Shore, N. J.

Mr. and Mrs. John Bustraan, Plainfield, N. J., are receiving congratulations upon the birth of a son on Saturday at Plainfield, N. J. The baby has been named John Scott. Mr. Bustraan is the son of Mr. and Mrs. A. Bustraan, Monroe street.

Mr. and Mrs. Samuel Rogers and daughter Virginia Mae, and son Samuel, Jr., and Miss Hattie Ran-

dall, of Buckley street, left on Friday to spend the summer months at their cottage at Ocean Grove, N. J. Mr. and Mrs. Leonard Bugay and daughter "Connie," of Mansion street, were week-end guests at the cottage.

Mr. and Mrs. Francis Corrigan and son Francis, of Kutztown, and James Reilly, of Darby, were Sunday guests of Mr. and Mrs. John Corrigan, New Buckley street.

A visit is being paid by Mrs. Eric Rylander and daughter Jean, Detroit, Mich., to Mrs. Rylander's

mother, Mrs. Thomas Holland, Buckley street.

Mr. and Mrs. George Brown, who have been spending 17 days in Bristol with relatives and friends, left on Monday for Washington, D. C., for a short stay.

Alfred Daniels, Jefferson avenue, left on Monday to spend six weeks at Camp Stern.

VOLTZ NINE EASILY DEFEATS FLANNERY BY SCORE OF 9 TO 6

PENNDLE, June 28 — The rejuvenated Voltz-Texaco team handed the Flannery's Eagles team a severe jolt last evening in a Tri-County League game on the Pennel Memorial field. The Eagles were beaten by the Bristol team, 9-6.

In making a total of 15 hits, the Voltz batsmen forced Manager "Jim" Flannery to use three twirlers. Doster started and was followed by Phil Righter and "Clint" Pursell.

"Jimmy" Morrell, former Bristol High hurler, went the distance for the gasmen, giving up eight hits. Jimmy was given a little rugged support as his mates committed five errors. He walked three batters.

"Wally" Oppman and "Charlie" Kohler connected for three hits each to lead the Voltz batters while "Kenny" Heath snapped out of his slump with a triple and single.

The same two teams will battle it out tomorrow evening on Memorial Park, Bristol.

MUTH TO PITCH
 Dave Muth will shoot for his fifth straight mound win this evening as he toes the slab for St. Ann's A. A. against the Trenton Pirates in a Trenton Industrial League game on Memorial Park field. Game will begin at six o'clock.

Receiving the slants of Muth will be Joe Elmer. Manager Scordia will keep the remainder of his hard-hitting lineup intact.

The "Saints" collected 17 more hits last evening as they scored a 9-7 triumph over Atwoods on Wetzel field. Bert Barbetta and "Lou" Mari paced the hitters with three each.

Joe Sagolla started on the hill for the Bristol team and was replaced by Paul Cervellero in the final inning.

SOFTBALL TONIGHT
 A softball game between the Bristol Bums and the Hunter Wilson team will be played this evening, beginning at 6:30, on the Rohm & Haas field.

LUCISANO RALLIES TO WIN OVER JEFFERSON

The Lucisano Brothers team rallied in the last inning to eke out a 6-5 win over Jefferson A. C. ten last evening in a Bristol Suburban League game on Memorial field. The defeat cost Jefferson a chance to move into first place and dropped it into third place.

Lucisano came from behind to capture the contest. It was trailing, 5-0 at the start of the third and spurred to shave the lead to 5-3. Another run made the deficit one tally in the fifth and the climax came with a two-run surge in the final frame.

Two were out and Roy Lynch on first base when Johnson made a bingle. Phil DiNatale then clinched the game with a two-bagger to left, his third hit of the evening.

Earl Johnson, Lucisano's twirler, gave the Jefferson team but three hits. However, his wildness and loose playing gave his opponents the five markers in the first two innings. From the third inning on, Johnson gave up but one hit and blanked his foes.

"Johnny" Ciambella was the losing pitcher.

HARRIMAN KEEPS GRIP ON SECOND PLACE

Harriman A. C. continued to hold on to second place in the Bristol Youth League by nosing out the Bristol Terrace nine, 6-5, last evening on the Terrace diamond.

The score was knotted at 5-5 as the seventh canto began. Bob Rigby hit safely, advanced on an error, and crossed the plate with the winning tally on a hit by Joe Pindar.

Harriman had 12 hits in the tilt with Terrace getting nine. Jack Pearl had three hits for the losers with Wren and Pindar getting three each for Harriman.

Herb Weida attempted to get things going for the Terrace team in the last half of the seventh by singling but Bob Rigby fanned the next three batters.

When you drive into our service department, the man who greets you is as proud of your Pontiac as you are.

He knows you bought your Pontiac because of its reputation for fine performance and dependable, economical long life—and he aims to protect that reputation.

Next time your Pontiac needs service, depend on our factory-trained mechanics, specialized equipment and factory-engineered parts. You'll find our service is every bit as good as that wonderful Pontiac you drive.
